O R D E R:

The Government have directed in their order cited, that the Administration Report of the Fisheries Section be published every official year instead of every Fasli year. The Director of Industries and Commerce has represented that as the financial statements to be appended to the Administration Report have also to be for the same period, it would facilitate the preparation of those statements if the audit of the accounts of the Fish curing yards and Pearl and Chank Fisheries is done for the official year instead of for the Fasli year as at present.

2. His Excellency the Governor of Madras accepts the recommendation of the Director of Industries and Commerce and directs that the period of Audit of accounts relating the Fish curing yards and Pearl and Chank Fisheries be changed from the Fasli year ending 30th June to the official year ending 31st March.

3. In partial modification of the orders issued in G.O. MS. NO. 145, Development, dated 28-1-1935, His Excellency the Governor of Madras directs that the following time-table should be followed:-

Name of concern.	State by which the accounts should be made ready for audit.	Date by which the audit of the concerns should be completed.
(1)	(2)	(3)
1. Pearl and Chank Fisheries	15th June	1st July
2. Fish curing yards	15th July	1st August

The first audit after the change will cover the accounts for the period of 9 months ending 31st March 1948.
